

Messiah Heritage Society

Dear Friend of Messiah College,

The theme I selected for my inauguration, "Created and Called for Community," highlights the distinctive of Messiah College's mission—academic excellence integrated with Christian faith characterized by a spirit of graciousness and hope; a commitment to service, leadership and reconciliation; and a passion for engaging our communities. Those who financially support Messiah College do so precisely because of its unique heritage, mission and identity. We want to perpetuate this legacy. Will you partner with us in this endeavor?

By including the College in your will, making a deferred gift arrangement or establishing an endowed fund, you can partner with us to educate future servant leaders. I extend the College's most sincere and heartfelt gratitude to all those who so generously support us. These tangible investments are vital and deeply appreciated.

Messiah College welcomes your commitment as we build on our rich heritage and seek to nurture a faith-based academic community that equips students to become agents of positive change in the world. By creating your legacy at Messiah College, you will help us fulfill that institutional calling for generations to come. Thank you!

Respectfully,

A handwritten signature in black ink that reads "Kim S. Phipps". The signature is written in a cursive, flowing style.
