Our main attraction during this trip, The Museum of the Bible (MOTB) exists to invite all people to engage with the Bible! It's 430,000 square feet—that is the size of it!- showcases rare artifacts spanning 3,500 years in history, stunning museum collections, technological displays, and immersive experiences like the "Hebrew Walk-Through."

Whether you're familiar with the Bible—maybe you've read from beginning to end many times—or you're curious and have a lot of questions about it, the MOTB is the most remarkable museum about the impact and influence the Bible has had on the world, both in history and today.

** The Featured Exhibit during our visit is "**DEAD SEA SCROLLS: The Exhibition**" (Nov. 2025-Sept. 2026) **
