BRANDYWINE RIVER MUSEUM OF ART
AT CHRISTMAS TIME**

Friday, December 7, 2018

Explore, with a guided tour, the enchanted world that is the Brandywine River Museum of Art during the holiday season. From the spectacular 0-gauge model train display with trains running on nearly 2,000 feet of track, to thousands of whimsical critters displayed on towering trees soaring up through the museum's three-story atrium. The museum's renowned collection features works by American artists, including three generations of the Wyeth Family. The included noon meal will be enjoyed at Brandywine. Later travel to Longwood Gardens, where you are immersed not only in the breathtaking surroundings, but in the rich history as well. ***If you live in the Brandywine area, you can meet the group at the Brandywine River Museum of Art to join the group for the day.
