

Dear Friend of Messiah University,

The mission of Messiah University centers on academic excellence integrated with Christian faith characterized by a spirit of graciousness and hospitality; a commitment to service, leadership and reconciliation; and a passion for engaging our communities. Those who financially support Messiah University do so precisely because of the institution's unique heritage, mission and identity.

We want to continue the University's legacy of hope, will you consider partnering with us in this endeavor?

By including the University in your will, making a deferred gift arrangement or establishing an endowed fund, you can partner with us to educate future servant leaders. I extend the University's most sincere and heartfelt gratitude to all those who so generously support us. These tangible investments are vital and deeply appreciated.

Messiah University welcomes your financial support as we build on our rich heritage and seek to nurture a faith-based academic community that equips students to become agents of positive change in the world. By creating your personal legacy at Messiah University, you will help us fulfill that institutional calling for generations to come. Thank you!

With gratitude,

A handwritten signature in black ink that reads "Kim S. Phipps".
