

Dear Friend of Messiah College,

The mission of Messiah College centers on academic excellence integrated with Christian faith characterized by a spirit of graciousness and hospitality; a commitment to service, leadership and reconciliation; and a passion for engaging our communities. Those who financially support Messiah College do so precisely because of the institution's unique heritage, mission and identity.

We want to continue the College's legacy of hope, will you consider partnering with us in this endeavor?

By including the College in your will, making a deferred gift arrangement or establishing an endowed fund, you can partner with us to educate future servant leaders. I extend the College's most sincere and heartfelt gratitude to all those who so generously support us. These tangible investments are vital and deeply appreciated.

Messiah College welcomes your financial support as we build on our rich heritage and seek to nurture a faith-based academic community that equips students to become agents of positive change in the world. By creating your personal legacy at Messiah College, you will help us fulfill that institutional calling for generations to come. Thank you!

With gratitude,

Kim S. Phipps  
President
